## Environmental Cluster ECEXA at inauguration reception of the President of the Federal Economic Chamber Harald Mahrer

A new era has begun: on 18 May 2018, the newly elected President of the Federal Economic Chamber WKO, Harald Mahrer invited to a reception at the Sky Lounge of the WKO. Many companions, as well as high rank representatives from business and politics got together over the roofs of Vienna.

Also attendant was the Environmental Cluster ECEXA (communication director Peter Wötzl accepted Mahrer's invitation). In an interview, President Mahrer emphasized, as he already did before, in front of the economic parliament in his inaugural address: "We are all business." The common success of our economy depends on interconnectedness."

Afterwards the guests spent much time for networking. Among the guests, above all Federal Chancellor Sebastian Kurz and Vice-Chancellor Heinz-Christian Strache. Also present: The industrialists Hannes Androsch and Josef Taus, President of the National Council Wolfgang Sobotka, the Ministers Margarete Schramböck (digital and economic affairs) and Elisabeth Köstinger (sustainability, agriculture, environment), as well as EU delegation leader Othmar Karas and Georg Strasser, the new president of the Austrian Farmers' Union. The Lower Austrian flag was held by Province Councilor Petra Bohuslav and Lower Austrian Economic Chamber President Sonja Zwazl.
